

**INFORMATION LETTER**  
**on the International Student Professional Creative Competition**  
**"Agricultural Sciences and Food"**

According to the order of the Ministry of Education and Science of Ukraine from 12.10.2021 № 1096 on the basis of the Mykolaiv National Agrarian University (further - MNAU) in 2021/2022 academic year the International student professional creative competition "Agrarian sciences and food" will take place.

The co-organizers of the Competition are foreign higher education institutions: Opole University (Republic of Poland), Charles Darwin University (Australia), University of Banja Luka (Bosnia and Herzegovina), Indian Institute of Technology (India), Kostanay University of Engineering and Economics. University (Republic of Kazakhstan), Batumi University of Navigation (Georgia), Tashkent State Agrarian University (Republic of Uzbekistan), State Agrarian University of Moldova (Republic of Moldova).

The Coordination of the Competition is provided by the Ministry of Education and Science of Ukraine.

Organizational and methodological support of the Competition is provided by the State Scientific Institution "Institute for Modernization of the Content of Education" of the Ministry of Education and Science of Ukraine.

The purpose of the competition is the integration of Ukraine into the world educational space, the expansion of international ties, the identification and support of the most talented students, the formation of a creative generation of scientifically active youth in agricultural science.

- **The competition is held in the following areas:**
- **agronomy;**
- **technology of production and processing of livestock products;**
- **agroengineering.**

Up to five projects in each area from one university can participate in the Competition.

The competition is held in two stages:

- the first - October 2021-March 2022;
- the second - April-June 2022 at MNAU.

The first stage of the Competition is held in a higher education institution in order to select the best projects to participate in the second stage of the Competition.

The deadline for submission of works for the second stage of the Competition is April 1, 2022.

Summarizing the results of the competition will take place during scientific and practical online conferences in selected areas from 06 to 10 June 2022.

the work must meet the requirements of the Regulations of the International Student Professional Creative Competition "Agricultural Sciences and Food" (see electronic version <http://konkurs.mnau.edu.ua>).

The Competition is open to self-prepared projects by students (no more than two authors and two supervisors), which are relevant, innovative or exploratory in nature within a certain area.

The languages of the competition are Ukrainian and English. At the first stage of the Competition the project is implemented in Ukrainian and English. At the second stage of the Competition, the project and information about the author (s) and research supervisor (s) are sent in English.

**Competitive** projects must be registered on the website of MNAU in the appropriate section of a certain direction. **Phones for inquiries:** (+38097) 715 1902, (+38099) 700 1452 Panfilova Antonina.
