

**Rating of research project submitted to the International Student Professional Creative Competition  
“Agricultural Sciences and Food” in Technology of production and processing of livestock products  
(I round II stage)**

№	IHE, country	Project title	Authors	Academic advisor(s)	GPA
1	2	3	4	5	6
1	State Agrarian University of Moldova, Republic of Moldova	Features of keeping and feeding service dogs	Skutary Nicoletta	Kaisin Larysa	92
2	Mykolaiv National Agrarian University, Ukraine	Technology of production of quail products in the conditions of own homestead	Pogorila Margarita	Tribrat Ruslan	84
3	Polissya National University, Ukraine	Productive and slaughter qualities of bulls for use in the diets of various silos	Kokut Yaroslav	Borshchenko Valerii	79,5
4	National University of Life and Environmental Sciences of Ukraine, Ukraine	Assessment of welfare of pigs for fattening	Zdovbel Illia	Lykhach Vadym	79
5	Mykolaiv National Agrarian University, Ukraine	Dependence of working productivity of horses of riding breeds on complex care of them	Bondarchuk Vitalii	Liuta Iryna	78
6	Sumy National Agrarian University, Ukraine	Improving the system of testing service puppies for selection to work in the law enforcement agencies of Ukraine	Klymenko Tetiana	Svysenko Sofiia	69,5
7	State Agrarian University of Moldova, Republic of Moldova	Quality and safety control of a new type of product - quail pate	Motovylnyk Viacheslav	Pavlychenko Natalia	68
8	Vinnitsia National Agrarian University, Ukraine	Influence of the term of hatching on the quality of queen bees	Stadnik Dmytro	Razanova Olena	67,5

1	2	3	4	5	6
9	Lutsk National Technical University, Ukraine Warsaw National University, Poland	Technology of using blood in the production of sausages	Bielash Viktoriia; Bondaruk Yuliia	Taraimovych Iryna	67
10	Mykolaiv National Agrarian University, Ukraine	The use of milk feed substitutes in the diets of young cattle.	Kulish Maryna	Kravchenko Olena	66,5
11	State Biotechnological University, Ukraine	Historical aspects of dog development and peculiarities of using service breeds of dogs in Ukraine	Molochko Anna	Khokhlov Anatolii	66
12	National University of Life and Environmental Sciences of Ukraine, Ukraine	The influence of the method of forming a family educator	Bilko Nazarii	Voinalovych Mykola	64
13	Vinnitsia National Agrarian University, Ukraine	Productivity of rabbits under the action of probiotic additive "Probiol"	Shelest Bohdan; Lysiakevych Bohdan	Ohorodnichuk Halyna	63,5
14	Mykolaiv National Agrarian University, Ukraine	Technological methods to increase the productivity of quail in the conditions of PPI quail farm PI MNAU	Usmanova Liliia, Hranda Ruslana	Starodubets Oleksii	62,5
15	Polissya National University, Ukraine	Sperm productivity and sperm quality of Holstein breeding bulls of foreign selection	Kulesha Tetiana,	Piddubna Liudmyla	62,5
16	Odessa State Agrarian University, Ukraine	Productive features of Odessa type sheep of Askanian meat-wool breed of different ethological types	Hyrbu Valentyna	Chyhyrov Valerii,	62
17	State Agrarian University of Moldova, Republic of Moldova	Evaluation of the quality of cottage cheese with different fat content	Yarmenko Yelizaveta	Kaisyn Larysa	57,5
18	Sumy National Agrarian University, Ukraine	Investigation of organoleptic properties of drinking milk with the addition of carotene-containing raw materials	Kotenko Daria	Prykhodko Mykola	57
19	Odessa State Agrarian University, Ukraine	Influence of microclimate on technology of production of pig production in the conditions of CAE "Druzhba" of the Saratsky area of Odessa region	Kryzhanovskyi Andrii; Shnal Oleksii	Pushkar Tetiana	55,5

1	2	3	4	5	6
20	Lutsk National Technical University, Ukraine	Development of a recipe for sour milk cheese enriched with dietary fiber	Hryniuk Andrii	Panasiuk Svitlana	55
21	Kherson State Agrarian and Economic University, Ukraine	Formation of quality of meat loaves in the conditions of Limited Liability Company "Silpo-FOOD" of the city of Kherson	Danyliv Ivan	Karpenko Oleksandr	50,5
22	National University of Life and Environmental Sciences of Ukraine, Ukraine	Influence of methods of selection of parents by index of similarity of antigens of system B of blood groups on weight and linear growth of bulls, meat productivity and development of internals and adipose tissue	Natalich Olexander	Uhnivenko Anatolii	46,5
23	State Biotechnological University, Ukraine	Prerequisites for the development of equestrian tourism in the Chernobyl Radiation and Ecological Biosphere Reserve	Vovk Maryna; Vasylyshyna Kateryna	Nahorni Serhii	46
24	Podolsk State Agrarian Technical University, Ukraine	Analysis of the technology of growing egg crosses of chickens of foreign selection	Popov Vasyl	Pustova Nataliia	45
25	Kherson State Agrarian and Economic University, Ukraine	The main technological parameters of promising technology of beef production	Zhmakin Nazar; Kramarenko Volodymyr	Pankiev Serhii	44,5
26	Podolsk State Agrarian Technical University, Ukraine	Dairy productivity of cows of different lines	Poliuk Bohdana	Shuplyk Viktor	44,0
27	National University of Life and Environmental Sciences of Ukraine, Ukraine	The influence of maternal behavior of suckling sows for performance response and preservation of piglets	Moldovanu Viktoriia	Lykhach Vadym	43,5
28	Lviv Polytechnic National University, Ukraine State Higher School of Technology and Economics named after O. Bronislaw Markiewicz, Poland	Livestock waste processing	Vasylechko Natalia; Drelikh Voitsekh	Chervetsova Veronika	43

1	2	3	4	5	6
29	Mykolaiv National Agrarian University, Ukraine	Estimation of processes of growth and development of young growth of Askanian fine-woolen breed depending on an origin in the conditions of PAE "Agrofirm" Vasylivka "of the Mykolaiv area	Kson Yeua; Koval Daryna	Posukhin Vadym	42,5
30	Vinnytsia National Agrarian University, Ukraine	Influence of different wintering technologies on economically useful traits of bee families	Panibratiuk Oleksii	Razanova Olena	42
31	Polissya National University, Ukraine	Use of breeding bulls in the conditions of breeding enterprises	Tarasenko Artem	Piddubna Liudmyla	42
32	Odessa State Agrarian University, Ukraine	Поведінкові реакції овець	Monakhova Valeriia	Hurko Yevheniia	41
33	National University of Life and Environmental Sciences of Ukraine, Ukraine	Determining the quality of sausages by physico-chemical parameters	Yeromina Liubov	Karpenko Oleksandr	39
34	Polissya National University, Ukraine	Poultry breeding technology and ways to improve it in the conditions of Polychynetske-Agro	Yanovich Nazar; Demchuk Kateryna	Tkachuk Victor	39
35	Podolsk State Agrarian Technical University, Ukraine	Analysis of feeding cows in different periods of detention	Vitiuk Artem	Shuplyk Viktor	38
